## Budget Message

January 31, 2025

Honorable Mayor and Members of the Town Council,

This message is submitted in accordance with *Article VII – Budget Control and Financing* of the Gypsum Town Charter. Staff has developed this annual financial plan to reflect the strategic and long-term goals of Town Council.

2024 was a good year for revenue generation for the Town of Gypsum. Sales Tax, building permit fees and real estate transfer taxes exceeded original budget estimates. For 2025, we feel fortunate to have healthy fund balances and strategic goals that have strong support throughout the organization. The Town expects the following beginning 2025 and ending 2025 fund balance/net positions:

Fund	Estimated 2025 beginning fund balance/net position	Budgeted revenues	Budgeted expenditures / expenses	Estimated 2025 ending fund balance/net position
General Fund	17,115,954	22,259,810	(29,737,804)	9,637,960
Conservation Trust	72,886	50,500	-	123,386
Parks and Recreation	45,958	2,469,476	(2,511,287)	4,147
Water	7,821,594	5,100,500	(6,132,830)	6,789,264
Sewer	60,002,665	6,612,423	(35,689,919)	30,925,169
Sanitation	788,715	506,452	(854,908)	440,259
American Rescue Plan	-	-	-	-
Highway 6	11,545,689	230,914	-	11,776,603

### Budget Basis

All governmental fund budgets are prepared using the modified accrual basis of accounting. Under this method, revenues are recognized when susceptible to accrual, that is, measurable and available. Available means collectible in the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures, other than interest on long-term obligations that is recorded when due, are recognized when they are expected to be liquidated with expendable available resources.

All proprietary fund budgets are also prepared using the modified accrual basis of accounting. Although this basis is not consistent with GAAP for enterprise funds, it is common practice among municipalities and is acceptable to our auditors.

### General Fund

*General Fund Revenue:* Sales tax accounts for approximately 55% of the Town's annual revenue. 2024 was a record year for sales tax collections. Sales tax revenue for 2024 is estimated at \$10,558,968, an increase of 6.61% when compared to 2023 of \$9,904,534. Although we are entering uncertain times, the primary sources sell relatively inelastic goods, and the Town is projecting a modest decrease of 2% to \$10,347,789 in 2025.

## General Fund (continued)

### Other significant revenues:

- **Property Tax:** Property tax revenue estimates come from the Eagle County Assessor. In 2025, assessed valuations for existing homes did not change, however, townwide assessed valuation increased from \$268,347,450 to \$275,245,960. This 2.6% increase was caused by new construction within the town.
- **Real Estate Transfer Tax:** RETT revenues have been estimated at \$1,254,675 in 2024. Mortgage rates have leveled off, and housing inventory is low, therefore we are projecting a small decline in RETT revenues to \$1,075,000.
- **Eagle County Contribution:** Eagle County has agreed to contribute \$3,900,000 to help the town Four-lane Cooley Mesa Road from Navajo Road to Airport Gateway.
- **Contributions/Donations:** The town is conservatively projecting \$179,057 in contributions. Holy Cross Enhancement \$60,000, Gypsum Daze Sponsorships \$36,000, and Community Event Sponsorships \$25,000 are the largest within this category.
- **Traffic Impact Fees** – The town estimates we will receive \$1,587,296 in traffic impact fees from new development within the town.

### Expenditures:

Total general fund expenditures exceed revenues by \$7.5 million. Several years of conservative spending allows the Town to use fund balance to make up the difference. Capital improvements in 2025 total \$14 million including both new and replacement or maintenance of existing infrastructure.

Salary expenditures: The budget incorporates a 5.5% combined cost of living increase and merit increase. The Town chose to do a Cost-of-Living Adjustment of 2.5% and merit increases up to 3%.

### Infrastructure and Capital projects:

The Town has budgeted over \$14 million dollars for capital projects in 2025. Major public improvements budgeted in 2025 general fund include:

- Highway 6 Resurfacing Corrections
- Cooley Mesa Road Expansion: Expand to four lanes between Navajo Road and Airport Gateway, including a new roundabout at Siena Lake.
- Installation of a roundabout at Highway 6 and Valley Road and convert the intersection at Oak Ridge Drive to a ¾ movement.
- Various Road and Street repairs and maintenance throughout Gypsum
- Designs for future improvements including:
  - Concept Design for Highway 6 Segment 1: Partner with Theorem Design Group to develop a concept design for expanding Highway 6 to four lanes from the south I-70 Roundabout to Oakridge Drive.
  - I-70 Eagle Airport Interchange Feasibility Study: Partner with HDR Engineering to conduct a feasibility study for the I-70 Eagle Airport Interchange, using CDOT's 6-step Context Sensitive Solutions process.

## **Parks and Recreation**

*Revenues:* 2024 was a record year for the golf course. The country is experiencing high inflation, and general economic uncertainty looms ahead for next year. In past recessionary periods, people often give up recreational offerings like golf in favor of spending on essential needs. However, Gypsum's annual pass, punch pass, and green fees are the lowest in the valley. Total revenues in 2024 were reported at \$1,570,735. We are conservatively estimating a small decrease to \$1,530,851 in 2025.

*Expenditures:* In 2024, the Golf Course was unable to fill all open positions. For 2025, the Golf Course aims to retain employees by increasing pay and hopes to address the employee shortage by using robotic lawn mowers.

*Capital projects:* The Golf course plans to replace sections of the cart path and upgrade the clubhouse bathrooms.

## **Enterprise Funds**

### **Revenues**

*Water Fund:* Water rates were increased by approximately 2% in 2024 for 2025.

*Sewer Fund:* Sewer rates will increase by 40% in 2025 to help fund the construction of the wastewater treatment plant.

*Sanitation Fund:* Sanitation fees increased from \$25 to \$26.70, with the \$1.70 adjustment covering the cost of trash can rental over its estimated lifespan.

### **Expenditures**

*Water Fund:* Funds will be used to ensure the community continues to meet or exceed State requirements for water treatment.

*Sewer Fund:* Funds are budgeted to address plant capacity needs and comply with increasingly stringent state regulations.

*Sanitation Fund:* Expenses are allocated to maintain high-quality sanitation services (trash pickup) in neighborhoods serviced by the Town of Gypsum.

*Capital Expenditures:* Major projects include improvements to the Mosher Water Treatment Plant and the first phase of construction for a new wastewater treatment plant.

We extend our gratitude to the Town Council and all Town departments for their dedication to controlling expenditures and their hard work in developing their budgets.

Respectfully submitted,

Jeremy Rietmann  
Town Manager

Mike Sherven, CPA  
Finance Director

## **Town of Gypsum Mission, Vision, & Guiding Values**

### **Mission & Vision**

At the Town of Gypsum, we work hard – together – for the good of the community. It starts with listening to what the town needs and taking care of our own. Being practical, prepared, and patient allows us to pay-as-we-go and keep our promises.

We are committed to nurturing our authentic small-town spirit, even as we grow and welcome those who understand that growth is not always about size and stature but rather about connection and depth.

### **Guiding Values**

#### **Approachable**

We believe in a level of service that starts with a smile and ends with a wink. For us, jeans and a t-shirt are a dress code and power lunches are always done family-style.

#### **Inclusive**

We take neighborly to a whole new level, nurturing a small-town spirit built upon first names, handshakes, and the idea that here, everybody is somebody.

#### **Authentic**

Generations of hard-working families call this community home. We know who we are and the only image we care about is keeping it real.

#### **Practical**

We make decisions based on what's good for the town. Common sense is our superpower, while consistency and 'playing our cards right' is a perfect strategy for putting Gypsum on the map.

#### **Fun**

Here work and fun are two sides of the same coin. We love practical jokes, having the last laugh, and any excuse for fireworks.

## **Town of Gypsum Fund Structure**

### *Governmental Funds*

**General Fund** – The General Fund is the general operating fund of the Town. It is used to account for all financial resources except those required to be accounted for in another fund. The General Fund balance is available to the Town for any purpose provided it is expended or transferred according to general statutory laws.

### **Special Revenue Funds**

Special Revenue Funds are used to account for the proceeds of special revenue sources that are restricted or committed for purposes other than debt service or capital projects.

*Conservation Trust Fund* is a special revenue fund used to account for revenue from the Colorado Lottery restricted for use in parks and recreation acquisition, development and maintenance pursuant to Colorado Revised Statutes.

*Parks and Recreation Fund* is a special revenue fund used to account for funds to be expended on parks and recreation, the operations of the Town's golf course and sales tax revenues that are restricted for the retirement of the 2005 revenue bonds

*Highway 6 Devolution Fund* is a special revenue fund used to account for funds to be expended on maintenance of 5.7 miles of Highway 6 located within the Town's limits.

*American Rescue Fund* is a special revenue fund used to account for emergency funding to be expended on capital infrastructure projects.

### **Proprietary Funds**

**Enterprise Funds** – The Water Fund, Sewer Fund and Sanitation Fund are used to account for operations that are financed and operated in a manner similar to private business enterprises – where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

### **Fiduciary Funds**

**Agency Funds** – Fiduciary funds are used to account for assets held by a governmental unit in a trustee capacity or as an agent for individuals, private organizations, and other governmental units and funds. The Town's agency funds consist of the Gypsum Recreation Center Capital Committee.

## **Town of Gypsum Fund Structure**

### *Governmental Funds*

**General Fund** – The General Fund is the general operating fund of the Town. It is used to account for all financial resources except those required to be accounted for in another fund. The General Fund balance is available to the Town for any purpose provided it is expended or transferred according to general statutory laws.

### **Special Revenue Funds**

Special Revenue Funds are used to account for the proceeds of special revenue sources that are restricted or committed for purposes other than debt service or capital projects.

*Conservation Trust Fund* is a special revenue fund used to account for revenue from the Colorado Lottery restricted for use in parks and recreation acquisition, development and maintenance pursuant to Colorado Revised Statutes.

*Parks and Recreation Fund* is a special revenue fund used to account for funds to be expended on parks and recreation, the operations of the Town's golf course and sales tax revenues that are restricted for the retirement of the 2005 revenue bonds

*Highway 6 Devolution Fund* is a special revenue fund used to account for funds to be expended on maintenance of 5.7 miles of Highway 6 located within the Town's limits.

### **Fiduciary Funds**

**Agency Funds** – Fiduciary funds are used to account for assets held by a governmental unit in a trustee capacity or as an agent for individuals, private organizations, and other governmental units and funds. The Town's agency funds consist of the Gypsum Recreation Center Capital Committee.

## General Fund Revenues

The chart below highlights the main categories of the Town's budgeted revenue sources for 2025. More detailed information is provided on the following pages.

The Town traditionally budgets conservatively for revenues. In 2024, the Town budgeted \$15,172,190 and the year-end projected revenues are \$19,036,884. For 2025, the town is budgeting a significant increase for total revenues of \$22,259,810. Three items are not directly related to Gypsum's tax revenue:

1. \$3,900,000 contribution from Eagle County to aid in Four-laning Cooley Mesa Road from Navajo Rd. to Airport Gateway.
2. \$1,597,296 as Traffic impact fees from Developers
3. \$188,000 "Safe Streets for All" federal grant

### Property Tax

Property Tax for the General Fund is estimated to be \$1,402,103 on an assessed value of 275,245,960 for 2024 collected in 2025. Assessed valuation increased by \$6,898,510 due to new construction within Gypsum.

### Sales Tax

The Town is expecting Sales Tax revenue to be 10,558,968 in 2024. This represents an increase from 2024 revenues of \$9,904,534. In 2024, sales tax revenue showed strong resilience, growing by approximately 6.6%, compared to a nationwide inflation rate of about 2.3%. The largest retailers in Gypsum sell relatively inelastic goods, and the Town believes that although we are in uncertain economic times, the Town's sales tax revenue will remain stable. The Town is taking a cautious approach by budgeting a 2% decrease in sales tax, resulting in a total projected revenue of \$10,347,789 for 2025. Historically, sales tax revenue makes up about 65% of the Town's total general fund revenue. However, in 2025, it accounts for 49% due to contributions from Eagle County, federal grants, and impact fees. The chart on the following page shows sales tax revenue over the past five years.

## General Fund Revenue (continued)

### Sales Tax (continued)

The total sales tax rate in the Town of Gypsum is 7.4%. The distribution of the taxing entities is shown in the table below:

Taxing Entity	Rate
State of Colorado	2.90%
Eagle County	1.50%
Town of Gypsum	3.00%

Approximately 270 cities and towns in Colorado collect their own sales tax. The Town's rate of 3% is below the state average of 3.30% (up from 3.27% in 2023) and the median rate of 3.50% (up from 3.46% in 2023.) The chart below shows the sales tax rates for various cities and towns in Colorado.

The average total sales tax, including all applicable state and local taxes, is 6.67%, with a median of 6.90%. In the Town of Gypsum, the Total sales tax is 7.4%.

## General Fund Revenue (continued)

### Use Tax

Construction Use Taxes are collected at a rate of 3% on 50% of the valuation of residential construction costs, based on projects from local developers. In 2024, budgeted revenue was \$169,500 and actual revenue is estimated at \$226,520. In 2025, we are projecting revenue of \$137,150. In 2024, approximately 44 new residences were built within the town.

### Real Estate Transfer Tax (RETT)

The Town collects a 1% Real Estate Transfer Tax (RETT) on the sales price of real estate within the Town of Gypsum. For 2024, the Town expects to collect an estimated \$1,254,675. Due to soaring real estate prices, limited inventory, high mortgage rates, and economic uncertainty, projecting RETT revenue for 2025 is difficult. For 2025, the Town is conservatively estimating RETT revenue at \$1,075,000, a decrease of \$179,675 from 2024 projected year-end actuals of \$1,254,675.

### Franchise Fees

Franchise Fees are charged to public utilities for access to Town rights-of-way and easements. Utilities like Black Hills Energy and Holy Cross Electric, which provide electricity and natural gas generate revenue that is highly affected by weather conditions and growth. Cable & Internet revenue is affected only by growth. For 2024, the estimated revenue is \$381,419. The Town is budgeting an increase to \$400,000 in 2025, driven by rising electric and gas rates.

### Cigarette Tax

The Town imposes a \$4 tax per pack of cigarettes and a 40% sales tax on all other tobacco and nicotine products. In 2023, revenue from these taxes was \$490,543. In 2024, revenues increased to an estimated \$494,150. For 2025, the Town is conservatively budgeting \$500,000.

### Licenses & Permits

Licenses and permits include Liquor Licenses, Business Licenses, Contractors Licenses, and Right of Way Permits. Below is the information for 2023, 2024, and 2025.

	Liquor License	Business License	Right of Way	Total
2023 - Actual	\$ 4,469	\$ 31,805	\$ 11,449	\$ 47,723
2024 - Estimate	2,851	33,022	4,803	40,676
2025 - Budget	4,000	25,000	5,000	34,000

## General Fund Revenue (continued)

### Intergovernmental Revenue

This revenue category includes revenue sources provided through other jurisdictions.

Motor Vehicle Taxes are received from the Eagle County Treasurer. The 2025 budget is based on year-to-date actuals in 2024.

The Highway Users Tax is a direct payment from the state that is calculated based on the number of vehicles registered and the miles of streets in each municipality relative to other municipalities. Generally, 80% of the distribution is determined by the number of registered vehicles, while 20% is based on the miles of streets in the community. Each municipality's share is recalculated annually in July, using data from the previous year. The vehicle registration figures are certified by the Department of Revenue to the State Treasurer, and the miles of open, used, and maintained streets are certified by CDOT, which relies on each entity's Annual Certification of Mileage report. The revenue from this tax is specifically earmarked for use on streets, roads and highways.

The Road and Bridge Levy is distributed by the County Treasurer and based on a formula that calculates the total tax collected, divided by the Town's mill levy, and multiplied by half of the Road and Bridge mill levy.

The table below shows the actual revenue for 2023, estimated revenue for 2024, and budgeted revenue for 2025.

	Highway Users Tax	Motor Vehicle Taxes	Road and Bridge Mill Levy	Total
2023 - Actual	\$ 280,700	\$ 41,379	\$ 123,231	\$ 445,310
2024 - Estimate	322,664	29,384	150,000	502,048
2025 - Budget	325,320	40,000	140,833	506,153

### Charges for Service

Charged for Services include Copy Fees and Passport Fees. Copy fees are collected when the public uses the Town's copier. For 2024, estimated revenue is \$68,148 with a budgeted amount of \$69,788. In 2025, the budgeted revenue is \$70,000. These fees can vary depending on staff availability.

### Community Development Revenues

The major sources of revenue include Building Permit Fees, Electrical Inspections, Mechanical Permits, Plumbing Permits and Developer Reimbursements.

Year	Mechanical Permit	Building Permit	Electrical Permit	Plumbing Permit	Developer	Total
2023 - Actual	\$ 45,154	\$ 315,778	\$ 31,477	\$ 28,793	\$ 59,577	\$ 480,779
2024 - Estimate	26,000	507,264	27,116	16,000	128,712	705,092
2025 - Budget	25,000	334,661	22,000	17,000	150,000	548,661

## General Fund Revenue (continued)

### Municipal Court Revenue

This revenue classification includes fines collected through the municipal court. Animal control, traffic, parking, and zoning violations are the four components of this revenue source. The total estimated revenue for 2024 is \$116,682 with a budgeted amount of \$134,100 for 2025.

Year	Animal Citations	Traffic Violations	Parking	Zoning Violations	Total
2023 - Actual	\$ 6,389	\$ 100,678	\$ 2,356	\$ -	\$ 109,423
2024 - Estimate	2,808	111,882	2,172	-	116,862
2025 - Budget	5,000	125,000	4,000	100	134,100

### Interest Revenue

This revenue classification includes interest earned from the Town's cash balances. For 2025, the Town estimates earnings of \$1,606,139, a decrease from the projected 2024 interest revenue of \$2,489,543. While ColoTrust interest rates are at an all-time high, we are anticipating rates to slowly decline throughout the year. The town also has a bevy of capital projects that will spend down the Town's cash balances, impacting interest revenue.

Year	General Fund	Conservation Trust Fund	Parks and Recreation Fund	Water Fund	
2023 - Actual	\$ 1,037,997	\$ 4,585	\$ 4,091	\$ 438,355	
2024 - Estimate	1,202,170	1,454	2,120	268,330	
2025 - Budget	313,229	500	1,500	50,000	

Year	Sewer Fund	Sanitation Fund	American Rescue Plan	HWY 6	Total
2023 - Actual	\$ 316,927	\$ 18,003	\$ -	\$ 512,975	\$ 2,332,933
2024 - Estimate	561,636	22,649	-	431,184	\$ 2,489,543
2025 - Budget	1,000,000	9,996	-	230,914	\$ 1,606,139

### Contributions and Donations

This revenue classification includes gifts or contributions received for special activities. The two largest sources are Gypsum Daze and the Enhancement Fund from Holy Cross Energy. Total revenue anticipated from these sources for 2025 is \$179,057.

### Miscellaneous

This revenue classification includes miscellaneous revenue that doesn't fit properly into other classifications. The anticipated revenue for 2025 is \$6,034,857, with the following sources:

1. \$1,597,296 in Traffic impact fees from Developers
2. \$3,900,000 from Eagle County to support the four-lane expansion of Cooley Mesa Road from Navajo Road to Airport Gateway.
3. \$188,000 from the federal "Safe Streets for All" grant program

Details of the Town's budgeted revenues from each source are shown below and on the subsequent pages.

## General Fund Expenditures

### Administration Expenditures

#### Administration

The Administrative Department includes the Mayor and Council, Town Manager, Assistant Town Manager, Human Resources Manager, Town Clerk, Deputy Town Clerk, Finance Director, Senior Accountant, Communications and Marketing Manager, an Accounting Clerk an Administrative Assistant, and a part-time Passport Specialist.

#### Mayor and Town Council

The Mayor and six Council members serve as the elected legislative and policy body of the Town. The Governing Body meets twice monthly in regular sessions on the 2<sup>nd</sup> and 4<sup>th</sup> Tuesdays of the month. Special meetings and work sessions are scheduled as needed.

#### Town Administration

Town Administration provides overall management of Town operations, development and execution of the Town's annual budget, and implementation of council policy. This program includes the Town Manager, who coordinates Town operations, as well as several key functions such as personnel administration, insurance and risk management, citizen's assistance, intergovernmental relations, legislative preparation and monitoring, grant applications and administration, and special projects.

#### Finance Management

The Finance Director ensures the Town's record keeping system complies with generally accepted financial management principles. The Finance Division handles the collection, recording, summarizing, reporting, or supervising of all financial transactions and oversees the preparation of the annual audit. Senior Accountant is responsible for collecting the Town's sales tax and issuing sales tax licenses. The Accounting Clerk is responsible for accounts payable and payroll.

#### Town Clerk

The Town Clerk is responsible for maintaining all legal records of the Town. The Town Clerk provides support for the Mayor, Council, Committee members, community programs and the Town Manager. The Town Clerk issues liquor and tobacco licenses and is also responsible for the Municipal Court. The Town Clerk maintains records regarding all municipal violations, collects fines, schedules court dockets, prepares and maintains Court records and prepares required reports of Court activities.

The major expenditures are as follows:

Description	2025 Budgeted Expenditures
Personnel	\$ 1,556,082
Computer Support & Software	675,151
Professional Services	424,824
Insurance	428,015
Community Partners	126,064
Maintenance, Utilities, Grounds	310,550
Treasurer fees	29,450
Misc	52,000

## General Fund Expenditures (Continued)

### Administration Expenditures (continued)

#### 2025 GOALS

- **Deliver Excellent Services:** Provide reliable, high-quality public services and polite, solution-oriented customer service.
- **Foster a Positive Workplace:** Cultivate a supportive work environment and enhance the town's reputation as a top employer.
- **Strengthen Leadership:** Maintain open communication and support for staff leaders to deliver high-quality services.
- **Support Informed Decisions:** Ensure the Town Council receives accurate, timely, and relevant information to support effective policymaking.
- **Engage Citizens Transparently:** Keep residents informed, explaining the rationale behind Town Council decisions and overall operations.
- **Enhance Operations with Technology:** Implement Tyler Technologies' Software to improve efficiency and integration across departments.
- **Improve Processes:** Optimize eight key areas—budgeting, procurement, human resources, risk management, IT, regulatory compliance, service delivery, and planning & development—to enhance quality and efficiency.
- **Plan for Emergencies:** Advance emergency management efforts to enhance community resilience.
- **Support Community Development:** Meet community needs by encouraging beneficial free-market development, preserving open spaces and Gypsum's agricultural heritage, exploring a public-private housing partnership to evaluate its potential benefit, and leading efforts to secure support for transformational infrastructure projects like the I-70 Eagle Airport Interchange.
- **Pursue Strategic Partnerships:** Explore public-private partnerships to advance the Gypsum Master Plan and Highway 6 Corridor improvements.
- **Support Businesses:** Provide outstanding service to help businesses establish and thrive in Gypsum.
- **Build Community:** Host a variety of public events to foster engagement and social connections.
- **Upgrade Town Hall:** Complete modest renovations to meet operational needs.
- **Expand Passport Services:** Maintain Gypsum as a leader in high-quality, accessible passport services for residents and visitors.

Administrative expenditures for 2025 are estimated to be \$3,602,136. This is an increase of \$117,337 from 2024 budget and an increase of \$388,466 from the 2024-year end estimates. Details can be found on the following pages.

## General Fund Expenditures (continued)

### Stand Alone Administration

The Town classifies certain expenditures as “Stand-Alone Administration,” which include attorney fees and land acquisitions. In 2025, these expenses are expected to be \$975,000. The land acquisition planned for 2024 did not occur, so these funds were rolled forward to 2025.

DESCRIPTION	2023 ACTUALS	2024 BUDGET	11.30.24 ACTUALS	Estimated YEAR-END	2025 BUDGET
				2024 Estimated ACTUALS	
STAND ALONE ADMINISTRATION					
ATTORNEY	282,182	215,000	170,488	204,585	240,000
LAND ACQUISITIONS (REMINGTON RANCH - 100K)	555	400,000	-	-	735,000
TOTAL STAND ALONE ADMIN.	282,737	615,000	170,488	204,585	975,000

### Community Development

The Community Development Department consists of the following staff: Community Development Director, Building Official, Building Inspector, Building Permit Administrator, Permit Technician/Code Compliance Officer, three Town Engineers, two Planners, and an Administrative Assistant. This department is broken into four sections: Building, Planning, Engineering, and Code Compliance. Here’s what each division does:

- **Building Division:** Ensures construction projects follow safety and building codes, processes building permits, collects fees, and maintains permit records.
- **Planning Division:** Reviews and processes land use applications, ensuring projects conform to the municipal code, adopted plans, and town capacity.
- **Engineering Division:** Handles land use application reviews, and designs or manages town projects related to roads, drainage, water, and utility projects.
- **Code Compliance Department:** Ensures properties and activities in Gypsum follow municipal codes to uphold safety and community standards, including monitoring property maintenance, land use, and on-street parking violations.

The major Community Development Expenditures are as follows:

Description	2025 Budgeted Expenditures
Personnel	\$ 1,528,539
Services	\$ 186,500

### 2025 Goals

- **Support Software Transition:** Assist with moving Accounts Receivable and Building Permit tasks to the new Tyler Technologies software once it's implemented.
- **Update Codes and Plans:** Revise the town's sign and lighting codes, update Titles 15 (Building), 17 (Subdivision) and Title 18 (Zoning), and adopt an updated Three Mile Plan and Metro District Model Service Plan.
- **Update Design Review Guidelines:** Revise the guidelines for the Airport Gateway Subdivision and the Market Zone District.
- **Review Major Subdivision Applications:** Evaluate proposals for Tower Center, Remington Ranch, and possibly Siena Valley Club and Nottingham annexation

### Oversee Key Infrastructure Projects & Design & Study Efforts:

- **US 6 Resurfacing Corrections:** Oversee warranty repair by Grand River Paving.
- **Cooley Mesa Road Expansion:** Expand to four lanes between Navajo Road and Costco, including a new roundabout at Siena Lake.
- **New Roundabout and Intersection Updates:** Install a roundabout at Highway 6 and Valley Road and adjust the intersection at Oak Ridge Drive to a ¾ movement.
- **Road Repairs and Maintenance:** Perform various tasks like re-grading, improving drainage, applying double chip seals, fog coats, and mills and overlays.
- **Develop Concept Design for Highway 6 Segment 1:** Partner with Theorem Design Group to develop a concept design for expanding Highway 6 to four lanes from the south I-70 Roundabout to Oakridge Drive.
- **Oversee I-70 Eagle Airport Interchange Feasibility Study:** Partner with HDR Engineering to conduct a feasibility study for the I-70 Eagle Airport Interchange, using CDOT's 6-step Context Sensitive Solutions process.
- **Develop a Comprehensive Safety Action Plan:** Partner with Y2K & KLJ Engineering to create a USDOT-funded Safety Action Plan aimed at reducing serious injuries and fatal crashes.
- **Enhance Regional Collaboration:** Work more closely with organizations like the Northwest Colorado Council of Governments, Colorado Municipal League, Colorado Department of Transportation, Eagle County, and nearby municipalities on key issues like housing, water resources, traffic, and other regional concerns.
- **Promote Gypsum at ICSC Events:** Participate in a regional International Council of Shopping Centers Conference to raise awareness of the community and its market.

The 2025 Community Developments expenditures are estimated to be \$1,715,038. This is \$254,713 less than the 2024 budget but \$173,887 more than the 2024 estimated actual of \$1,541,136. The increase is primarily due to new positions filled mid-year in 2024 and higher developer reimbursables. While these reimbursables are charged back to developers, governmental accounting requires revenues and expenditures to be recorded separately. Details are provided below.

### Enforcement Services

This department includes Law Enforcement, Animal Control and the Municipal Court. The Town currently contracts with Eagle County for six deputies, with five assigned to patrol services and one assigned as a school resource officer. The current agreement expires at the end of 2025. The town is responsible for providing the deputies with vehicles and any accessories the vehicles may need. The Town also contracts with Eagle County to perform animal control services. Gypsum has an appointed Municipal Judge who conducts the Municipal Court.

DESCRIPTION	2023 ACTUALS	2024 BUDGET	11.30.24 ACTUALS	Estimated YEAR-END	2025 BUDGET
				2024 Estimated	
ENFORCEMENT SERVICES				ACTUALS	
LAW ENFORCEMENT CONTRACT	1,322,416	1,351,093	1,013,320	1,320,716	1,484,330
ANIMAL CONTROL CONTRACT	59,840	98,040	81,700	98,040	98,040
CRIME PREVENTION & PUBLIC RELATIONS	-	5,000	3,000	3,000	4,000
MUNICIPAL COURT	12,766	-	13,650	16,380	24,000

TOTAL ENFORCEMENT SERVICES	1,395,022	1,454,133	1,111,670	1,438,136	1,638,020

### 2025 Law Enforcement Goals:

- **Strengthen Partnerships:** Maintain a strong, cooperative relationship with the Eagle County Sheriff's Department, ensuring contracted services remain effective and financially efficient.
- **Enhance Communication:** Hold regular discussions with the Sheriff or their designee to address contract matters and law enforcement inquiries.
- **Equip Deputies for Success:** Provide Town Deputies with the vehicles and equipment needed for safe and efficient work.
- **Promote Community Policing:** Foster a philosophy of community policing, enabling deputies to consistently serve the same geographic areas, build trust and relationships and focus on crime prevention rather than reaction.
- **Address Narcotics Issues:** Collaborate with the Sheriff's Department to prevent and enforce against narcotic use and drug trafficking within town limits.
- **Support School Safety:** Continue funding and supporting the School Resource Officer dedicated to schools in Gypsum.
- **Promote Safe and Responsible Behavior:** Partner with the Sheriff's Office to provide courteous and helpful law enforcement services, set expectations for lawful behavior, and promote safe driving habits by ensuring all vehicles and drivers are properly licensed, insured, and compliant with legal standards.
- **Promote Responsible Pet Ownership:** Educate residents on responsible pet ownership and encourage respectful behavior toward neighbors in managing and owning pets.

The 2025 budget for Enforcement Services is \$1,638,020. This represents a decrease of \$199,884 from the 2024 budget but an increase of \$183,887 compared to the 2024 estimates. More details are provided on the next page.

## General Fund Expenditures (Continued)

### Public Works – Maintenance and Operations

The Public Works Department is responsible for maintaining and improving the Town's streets, sidewalks, vehicles, storm drainage systems, and buildings. Key responsibilities include:

- **General Management:** Preparing and managing the department's budget, handling purchasing, overseeing projects, and coordinating utilities.
- **Service Requests:** Processing and monitoring service requests from residents and building users.
- **Vehicle and Equipment Maintenance:** Performing preventive maintenance, repairs, and fueling for all Town vehicles and equipment.
- **Streets and Drains Program:** Core activities include pothole patching, street sweeping, snow and ice removal, sidewalk repairs, drainage inlet cleaning, and channel maintenance.

The major Public Works expenditures are as follows:

Description	2025 Budgeted Expenditures
Personnel	\$ 1,526,619
Capital outlay	602,000
Maintenance	645,600
Equipment	117,125
Services & Misc	38,000
Public Improvements	14,291,503

### 2025 Goals

- **Ensure Safe Roads:** Proactively maintain safe and well-functioning roads throughout Gypsum.
- **Efficient Snow Removal:** Continue fast and efficient snow plowing operations while minimizing conflicts with residents clearing sidewalks.
- **Proactive Repairs and Projects:** Address road repairs and capital improvement projects proactively, anticipating infrastructure issues before they arise.
- **Prevent Flooding:** Maintain safe and effective stormwater drainage routes to minimize the risk of flooding.
- **Maintain Equipment:** Keep town maintenance equipment in good condition to extend its lifespan.

## General Fund Expenditures (Continued)

### Public Works – Maintenance and Operations (continued)

#### 2025 Goals (continued)

- **Respond Quickly:** Provide prompt responses to public inquiries directed to the maintenance department
- **Support Emergency Services:** Collaborate with Gypsum Fire, Eagle Fire and the Sheriff's Department to provide equipment and manpower as needed for regional or local emergencies.

## General Fund Expenditures (Continued)

### Public Works – Maintenance and Operations

The estimated 2025 budget for Public Works maintenance and operations is \$17,220,847. This is an increase of \$1,359,914 compared to the 2024 budget and \$4,374,481 more than the 2024 actual expenditures. This increase is primarily due to capital projects and road improvements, including Eagle Street paving, Highway 6 overlay, bike path enhancements, and the north I-70 roundabout. Further details are provided below.

## General Fund Expenditures (Continued)

### Public Works - Parks

The Parks Division is responsible for maintaining and repairing the Town's parks. During the summer, seasonal employees are hired to handle tasks such as mowing, caring for flower gardens, and controlling weeds along bike paths and town property.

### 2025 Parks and Recreation Goals

- **Keep Playgrounds Safe:** Regularly inspect and maintain playgrounds to ensure safety for public use.
- **Maintain Well-Groomed Parks:** Ensure all parks and facilities are clean, well-maintained, and visually appealing.
- **Control Noxious Weeds:** Eliminate noxious weeds across Town-owned facilities, parks, and rights-of-way.
- **Promote Water Conservation:** Use best practices in water management and irrigation, prioritizing conservation.
- **Support Special Events:** Coordinate park irrigation and aesthetics to align with special events throughout the year.
- **Maintain Equipment:** Diligently upkeep and service all equipment used by the Parks division.

## General Fund Expenditures (Continued)

### Public Works - Parks (continued)

The major Public Works Parks expenditures are as follows:

Description	2025 Budgeted Expenditures
Personnel	\$ 717,594
Recreation Center	413,088
Capital Outlay	529,100
Park Improvements & Maintenance	144,225
Equipment	62,850
Transfer to Golf	872,000

The estimated 2025 budget for Public Works Parks is \$2,738,857. This is \$42,700 less than the 2024 budget but \$758,207 more than the 2024 estimates. The lower 2024 estimates were due to a larger transfer to the golf course and a contribution to the Gypsum Recreation Center. Further details are provided below.

### Special Events and Gypsum Daze

The Town of Gypsum will continue hosting a variety of special events in 2025, including long-standing favorites like Gypsum Daze (now in its 42<sup>nd</sup> year), the Spring Eggstravaganza, Community Cleanup, Independence Day Celebration & Fireworks, GYPTOBER Fall Fest, Home for the Holidays, and our newest addition, the Downvalley Get Down weekday concert series.

Our goal is to provide affordable, accessible events that celebrate our small-town spirit. These gatherings create opportunities for residents, friends, and visitors to connect and enjoy the Gypsum community. We will continue to working with local partners, organizations, businesses, and volunteers to ensure these events are reflective of our community and strengthen our residents' connection to each other and the Town of Gypsum.

## General Fund Expenditures (Continued)

Description	2025 Budgeted Expenditures
Professional Services	\$ 62,000
Easter Egg Hunt	5,500
Holiday Events	5,000
Advertising	55,000
Downvalley Get Down	55,000

## Economic Development

The major Economic Development Expenditures are as follows:

Description	2025 Budgeted Expenditures
Economic Development	\$ 245,000
Sewer Transfer	473,857
Water Transfer	450,500
Recycling Center	4,200

## General Fund Expenditures (Continued)

### Economic Development (continued)

The estimated expenditures for Economic Development in 2025 are \$1,173,557, reflecting a \$222,968 increase from the 2024 budget and a \$277,168 increase from the 2024 actuals. This rise is due to transfers to the Water and Wastewater Funds. While these transfers are relatively small compared to total expenditures, they represent the maximum allowed under TABOR and will help offset enterprise fund expenses.

DESCRIPTION	2023 ACTUALS	2024 BUDGET	11.30.24 ACTUALS	Estimated YEAR-END	2025 BUDGET
				2024 Estimated <span>✓</span>	
ECONOMIC DEVELOPMENT

TOTAL ECONOMIC DEVELOPMENT	589,760	950,589	888,989	896,389	1,173,557

### General Fund Total Expenditures

The General Fund budgeted expenditures for 2025 are estimated at \$29,737,804. This is an increase of \$2,487,058 from 2024 budgeted numbers and an increase of \$7,010,561 from the estimates for 2024. This increase is due to road improvement projects that are scheduled to be performed in 2025.

### General Fund – Fund Balance

The Town plans to use fund balances to support 2025 capital projects and estimates the following fund balances:

DESCRIPTION	2023 ACTUALS	2024 BUDGET	11.30.24 ACTUALS	Estimated YEAR-END	2025 BUDGET
				2024 Estimated 	
FUND BALANCE CLASSIFICATIONS					
UNASSIGNED	19,739,414	6,361,465	16,387,641	15,969,055	8,396,061

### Conservation Trust Fund Revenue Summary:

The revenue for this fund can vary based on statewide lottery sales and a formula that factors in the Town's population. For 2024, the projected revenue is \$57,763. However, the Town is conservatively estimating \$50,000 in revenue for 2025.

## General Fund Expenditures (Continued)

### Conservation Trust Fund Expenditure Summary:

The Town has not allocated any conservation trust fund expenditures for 2025. These funds are planned for future use on park construction or capital equipment purchases for parks and recreation.

Detailed Conservation Trust Fund revenue and expenditure information is below:

## Parks and Recreation Fund

### Parks and Recreation Fund Revenues

This fund was established to better track Parks and Recreation expenditures. The Golf Course had another record-breaking year in 2023.

For 2025, total budgeted revenues for Parks and Recreation are \$2,469,476, an increase from the estimated 2024 revenue of \$2,225,964. The two largest revenue sources are Golf Course Charges, totaling \$1,530,851, and a transfer from the General Fund of \$872,000. Additional details are provided on the subsequent page.

### Parks and Recreation Fund Expenditures

The Parks and Recreation Fund includes the Pro Shop, Driving Range, Carts, Course Maintenance, General Administration, Capital Improvements and Debt Service.

#### Summary of Expenditures

Description	2025 Budgeted Revenues
Green Fees	\$ 802,500
Punch Passes	225,000
Annual Passes	225,551
Tournament Entries	80,000
Merchandise	100,000
Driving Range	45,000
Misc. Revenue	52,800

## **Parks and Recreation Fund (continued)**

### **2025 Parks and Recreation Goals**

- **Achieve Recognition:** Be recognized as a top municipal golf operation known for high standards, integrity, and exceptional customer service.
- **Improve Course Quality:** Enhance the playability and condition of the golf course.
- **Stay Affordable:** Operate and maintain the facility in an affordable and competitive manner compared to similar venues.
- **Offer Diverse Recreation:** Provide residents and visitors with a variety of competitively priced recreational activities.
- **Grow the Game:** Attract and retain new players of all ages to grow interest in golf.
- **Enhance Property Activities:** Increase the variety of enjoyable and accessible activities available on the property.
- **Expand Usage:** Explore non-golf uses of the facility to increase community engagement and appreciation of the amenities.

The estimated expenditures for 2025 are \$2,511,287, which is \$58,451 less than the 2024 budget but \$328,245 more than the 2024 estimates. The increase in 2024 estimates is due to planned capital expenditures, including equipment replacement, a clubhouse remodel, and a cart path overlay. Details can be found on the following page.

## Water Fund

### Water Fund Revenue

The Water Fund's primary income sources are **Tap Fees**, **Water Dedication Fees**, and **User Fees**:

- **Tap Fees:** Fund new capital improvements needed to meet the demands of growth.
- **Water Dedication Fees:** Reserved for acquiring or improving raw water sources.
- **User Fees:** Support daily water production operations, including employee salaries, utility costs, system repairs, and delivery system upgrades. User fees can vary depending on water usage, which typically increases during the summer months with outdoor irrigation. For 2024, the Town is conservatively estimating revenue of \$2,425,247 from User Fees.

As part of new annexations, the Town requires applicants to make certain improvements to the water system, allowing the Town to address new demands without incurring additional expenses. For 2025, total Water Fund revenues are projected to be \$5,100,500, which includes a 2% increase in water user fees, and an additional \$316,532 from tap fees, dedication fees, and other one-time fees. This represents a total increase of \$590,788 compared to 2024 estimates. Detailed revenue information is provided below.

### Water Fund Expense Summary

The primary goal of the Water Fund is to ensure a reliable water supply that meets the demands of growth without heavily relying on restrictive water conservation measures. The Town of Gypsum has 7 million gallons of potable water storage across various locations, which significantly enhances its ability to provide adequate fire protection for the community and meet increased water consumption needs, particularly during the summer months. These expenditures are supported by water tap fees, water dedication fees, and user fees.

## Water Fund Expense Summary (Continued)

The primary expenses for the Water Fund include:

Description	2025 Budgeted Expenditures
Personnel	\$ 1,194,420
Billing expense	28,534
Capital	3,119,200
Operations	1,425,269
Legal Services	100,000
Debt Payments	265,408

### 2025 Goals:

- **Deliver High-Quality Drinking Water:** Provide safe, clean, and affordable drinking water that exceeds state standards and meets growing demands, especially during the summer months.
- **Plan for Future Growth:** Proactively ensure high-quality and sufficient water service through continued operations at the Mosher and Norgaard Treatment facilities.
- **Expand Non-Potable Irrigation:** Continue using non-potable water for outdoor irrigation in commercial and residential projects, and work toward converting all municipal irrigation to non-potable sources.
- **Maintain LEDE Reservoir:** Keep the LEDE Reservoir fully operational with regular maintenance and strong collaboration with the U.S. Forest Service.
- **Balance Water Use:** Foster better relationships with agricultural users in the Gypsum Creek Basin and work to balance municipal and agricultural water needs effectively.
- **Pursue Water Rights and Storage:** Continue seeking new senior water rights and feasible in-basin storage options.
- **Enhance Backflow Prevention:** Develop a comprehensive database and audit of backflow prevention systems using BPMS software, including policies to bring residential users into compliance.
- **Evaluate Fees for Growth:** Review and adjust tap fees and water dedication fees, if needed, to support future plant expansion and growth needs.

The estimated expenses for 2025 are \$6,132,831, representing an increase of \$2,484,171 compared to the 2024 estimates. This increase is largely due to capital projects, including upgrades to the Mosher Water Plant and improvements to tanks and booster pumps. Detailed expense information is provided below and on the following page.

## Wastewater Fund

### Wastewater Fund Revenue Summary

The Sewer Fund generates revenue primarily from User Fees and Tap Fees. For 2025, the Town has budgeted \$1,291,500 in Tap Fees, up from \$1,158,400 in the 2024 budget but slightly lower than the estimated \$1,394,835 for 2024. Tap Fees are budgeted conservatively due to the uncertainty of economic conditions.

User Fees are projected to total \$3,442,004 for 2025. The Town Council has decided to transfer 10% of User Fees from the General Fund and user fees will increase another 25% in 2026.

Total revenues for the Sewer Fund in 2024 are estimated at \$84,556,878, reflecting an increase of \$61,853,172 from the 2023 budget. This significant increase is due to the issuance of \$80 million in debt. Further details are provided below.

### Wastewater Fund Expenses

The Town has partnered with Dewberry Engineers Inc. to design plant modifications that address regulatory requirements and expand capacity to support community growth. Phase 1 construction by MWH Constructors began in 2024 and will continue through 2027. This timeline is expected to keep the wastewater system compliant and capable of meeting regulatory and capacity needs for the next 20 years.

Below is a summary of expenditures:

Description	2024 Budgeted Expenditures
Personnel	\$ 621,629
Billing expense	19,800
Operations	343,252
Capital expenditures	21,848,310

## Wastewater Fund (Continued:)

### 2025 GOALS:

- **Efficient Wastewater Handling:** Maintain the most cost-effective and efficient methods for managing the Town's wastewater needs.
- **Meet or Exceed Standards:** Consistently meet or exceed state discharge permit standards for releasing treated water into the Eagle River.
- **Minimize Odor:** Operate the plant safely and efficiently to minimize odors, exceeding state standards for allowable emissions.
- **Prevent Sewer Backups:** Take all feasible steps to prevent sewer main backups at the plant intake.
- **Maintain Reliability:** Follow best practices for maintenance and operations to prevent mechanical failures at the plant.
- **Implement Flushing Program:** Continue the flushing program and gather data to improve system performance.
- **Codify Grease Trap Monitoring:** Establish a formal grease trap monitoring program to ensure compliance and system efficiency.
- **Oversee Wastewater Facility Expansion:** Manage the construction of the expanded wastewater treatment facility in collaboration with Dewberry Engineers Inc. and MWH Constructors.
- **Ensure Fair Cost Allocation:** Balance costs fairly between existing users (through service fees) and new developments (through tap fees) to support necessary modifications and expansion.
- **Monitor Tap Fees:** Regularly review tap fees to ensure they continue to align with capital costs required for capacity expansion.

The total estimated expenses for the Sewer Fund in 2025 are \$35,689,919. This represents an increase of \$12,682,567 from the 2024 budget and \$30,976,355 more than the 2024 year-end estimates. The 2025 budget includes \$27,500,000 for capital outlay related to the new sewer plant. Further details are provided below and on the next page.

## Sanitation Fund Revenue Summary

The primary source of revenue for the Sanitation Fund comes from User Fees.

In 2024, total revenue is estimated at \$464,057, slightly below the budgeted amount of \$485,996. For 2025, the budgeted revenue is projected to be \$506,542.

## Sanitation Fund Expense Summary

The major expenses are as follows:

Description	2025 Budgeted Expenditures
Personnel	\$ 189,174
Billing expense	28,534
Landfill	100,000
Operations	117,200
Truck replacement	420,000

### Goals for 2025:

- **Ensure Safety and Reliability:** Deliver safe and dependable trash collection for the community.
- **Maintain Affordable Service:** Continue providing affordable trash services to Gypsum residents.
- **Maintain Equipment:** Ensure trash equipment is properly maintained through safe and effective upkeep practices.
- **Improve Communication:** Enhance notifications about schedule changes, especially when holidays affect pick-up dates.
- **Promote Clean-Up Day:** Encourage residents to participate in Gypsum's annual clean-up day in May.

## Sanitation Fund (Continued)

The total budgeted expenditures for 2025 are estimated at \$854,908. This represents an increase of \$494,731 compared to the 2024 budget of \$360,177 and an increase of \$320,728 from the 2024 estimated expenditures. A detailed breakdown of expenses is provided on the next page.

## Capital Projects Highway 6

The State of Colorado has transferred ownership of US Highway 6 from Mile Marker 141.993 to Mile Marker 147.680 to The Town of Gypsum. The transfer included proceeds of \$ 10,504,547, which are restricted to transportation-related expenditures.

The Town expects to earn \$230,914 in interest revenue in 2025. No improvements are planned for 2025, and the estimated reserves for the year are \$11,776,603. Details are provided on the next page.

## American Rescue Plan

In March 2021, Congress passed the American Rescue Plan Act (ARPA), which allocated \$1,925,704 to the Town of Gypsum for COVID-19 relief efforts. The Town received \$926,852 in both 2021 and 2022. As of December 31, 2024, all ARPA funds have been spent on the new Wastewater Treatment Plant. Further details are provided on the next page.
